## Narrative Section

**Please describe your event:**

Each year we host the number of events recognizing the number of GAC years. Our 21 events covered a variety of times and days as well as activities. We partnered with other groups as often as possible. This year we also added 21 miles of road cleanups in 21 days to make a large visual impact for effect. Our Battery and Tire Amnesty is our last event and last for the whole month to give ample, convenient opportunity for people to be able to participate.

**National Sponsor Engagement**

*Without our national sponsors the Great American Cleanup would not be possible. The below section helps Keep America Beautiful report important sponsor engagement information to our sponsors.*

**Thank you note:**

Our GAC events are absolutely made possible by the inkind donations we receive. The water bottles, trash bags and banners are used throughout our GAC campaign. Thank you for making the difference we make possible by providing these resources to us.

**Did your local Dow Site participate?**

No

**Did your local Lowe's Home Improvement Store participate?**

# VOLUNTEER & PITCH IN!

Join us for one or all of our activities to mark the 21st year of Great American Cleanup. We are also hosting an ambitious road cleanup goal of 21 miles in 21 days from Earth Day, 3/22 until Mother's Day, 5/12. Pick a road and a day and let us know! We will share on social media so that everyone can help us to Keep Oconee County Beautiful! Whether your interest in the environment is litter, recycling and/or beautification, you can help build a better world today and for future generations by helping us to keep Oconee County clean, green and beautiful! Visit us at [oconeecounty.com/kocbc](http://oconeecounty.com/kocbc) for more information.
