- B. Dugouts: HOME (1st base line) and VISITOR (3rd base line). Teams must occupy dugout indicated on schedule, when possible.
- C. OCPRD line-up sheets must be completed and turned in **5 minutes prior to the game**. Line-ups should include players' first initial, last name and jersey number.
- D. There is a 5-minute grace period from the originally scheduled first pitch. The park supervisor, in consultation with the umpires, will have final authority to declare a forfeit.
- E. A team must be able to field a minimum of eight (8) players and a maximum of twelve (12) players in a batting lineup** when the umpire calls to start the game. Less than 8 players from the team roster present at game time will result in a team forfeit.
- F. If additional players arrive after the line-up sheet has been turned in and/or game begun, they may be added **to the end** of the batting order. Players arriving late must notify scorekeeper.
- G. If a team starts the game with 8 or 9 players and no other players arrive to play, there is no penalty for the open slot(s) in the line-up. If a team starts the game with 10 or more players in the line-up, loses a player during the game and is unable to substitute, that slot in the batting order results in an automatic out.

- a. EXCEPTION: If a player must leave the game due to injury and no substitutions are available, there will be no penalty for the vacant spot in the lineup, provided that at least eight players remain.
- H. Players may only substitute at the beginning of a defensive inning. Substitutes must be reported to the scorekeeper prior to entering the game.
- I. Games will last 7 innings or fifty-five (55) minutes. Game clock will be set to 55 minutes. The clock starts on the first pitch of each game. The scorekeeper will keep the official time. The umpire may instruct the scorekeeper to start the clock after warning both teams. The clock will be stopped for an injury on the authority of the home plate umpire.
- J. If time expires before seven (7) innings are completed, the current inning will be allowed to finish. No new innings can begin after time expires, unless the game is tied at the end of regulation play. In case of a tie, game will continue until a winner is determined. If a game runs past the time limit, the next scheduled game will begin 5 minutes following the completion of the game.
- K. All players will enter the batter's box with a 1 ball/1 strike count. An out will be called on the second foul after 2 strikes.
- L. OCPRD will utilize a 17"x36" mat attached with home plate and will represent the strike zone. Any legally pitched ball that hits the mat will be a strike.
- M. Pitchers may use a protective screen if one is available to them. If a batted ball strikes the screen, the ball is dead and there is a "no pitch". If the batter hits the screen twice in one at bat, the batter will be ruled out.
 - If used, the pitcher must remain behind the screen while pitching. If the pitcher does not remain behind the screen, the right to use the screen will be taken away from the pitcher.
- N. **Home Run Rule (Co-Ed and Women's League):** a team will be allowed three (3) over the fence home runs per game. For any in excess, the ball will be dead and the batter will be scored as a double and base runner will advance one base, unless forced to advance an additional base, without liability of being put out.
- O. **Run Rule – If a team is leading by 20 runs after three (3) full innings, 15 runs after four (4) full innings, or 10 runs after five (5) full innings the game ends.**
- P. Any eligible player may be a courtesy runner once per inning for any player other than the pitcher. This player, or any other eligible player, may also be a courtesy runner for the pitcher whenever the pitcher is on base.
- Q. The score of a forfeited game will be 7-0. In the event of a double forfeit, each team will be credited with a loss, with the score being recorded as 0-0.

 - e. If the teams are still tied, a coin toss will be used to break the tie.

PROTESTS
